

Rent / Purchase Option Notification for Durable Medical Equipment (DME)

This program allows you to rent medical equipment monthly instead of purchasing it upfront. Depending on your insurance, you may choose to purchase later or automatically own the item after a set number of rental months.

Eligible Equipment:

- Wheelchairs, hospital beds
- Walkers, scooters, therapy devices, etc.
(Coverage and rules may vary depending on your insurance plan.)

How the Rental Program Works:

- We bill your insurance first.
- You are responsible for any applicable copays, deductibles, or coinsurance.
- We will securely keep your credit card on file and charge monthly rental costs, if applicable.
- If the equipment is not returned when the rental period ends or upon request, you authorize Integra Medical Supply to charge the full product cost to the card on file.

Purchasing Options:

- You may choose to purchase the equipment at any time during the rental period.
- We will provide the remaining purchase cost, insurance guidelines, and any eligible discounts, if applicable.
- Many insurance plans automatically transfer ownership after 10–13 months of rental.
- Each insurance plan varies based on individual policy terms and coverage.

Repairs & Maintenance:

- During rental: We handle normal repairs.
- After purchase: You are responsible for repairs; warranty details will be provided.

Returns:

As per the rental agreement, you may return rental equipment at any time. Charges may apply if the equipment is lost, not returned, or damaged due to misuse.

For Questions or Support:

We are here to help with rental, purchase, insurance, or cost-related questions.
